Re: *CFTC v. All City Investments, LLC*, 16 Civ. 7372 (AJN)

Dear Judge Nathan:

I represent Plaintiff U.S. Commodity Futures Trading Commission ("CFTC") in the above-referenced matter. The Division of Enforcement on behalf of the CFTC has reached a settlement in principle with the Defendants and all parties now jointly request that the Court extend both the fact discovery deadline of June 2, 2017, and the expert discovery deadline of July 17, 2017, in the Civil Case Management Plan and Scheduling Order ("CMO") by 45 days so that the parties have time to finalize the settlement, submit it to the Commission for the CFTC for approval and ultimately to the Court for its approval. This is the first extension request and a revised CMO is enclosed.

Respectfully submitted,

Katie Rasor
